

# CALL FOR PAPERS

## BME-HUST 2016 International Conference on Bio-Medical Engineering

October 5-6th, 2016

Hanoi University of Science and Technology,  
No 1 Dai Co Viet Str, Hai Ba Trung Dist, Hanoi, Viet Nam.

We are please to invite you to submit the original paper(s) for the **BME-HUST 2016 International Conference on Bio-Medical Engineering (BME-HUST 2016)**.

Biomedical Engineering in Vietnam is a fast growing field. We have received collaborations of our international peers who help us to build up our activities. Therefore, this international conference aims to bring together researchers and scientists of advanced and emerging countries to promote cooperation and collaboration which might be of interest, collaboration in academic and scientific activities, collaboration in research projects in the areas, including: medical instrumentation, medical informatics systems, bioinformatics, biomechanics, medical imaging, radiation therapy and nuclear medicine, medical image processing, ... We are looking forward to receiving your papers for presentation and proposals for new topics, endorsements and sponsorships.

## TOPICS (include, but are not limited to)

1. Biomedical Instrumentations
2. Biomedical Signal and Image Processing
3. Biomedical Imaging
4. Biomedical and Health Informatics
5. Biomechanics
6. Biotechnology
7. Radication Therapy and Nuclear Medicine
8. Biomedical Engineering Education
9. Drug Delivery Systems

## Organizing Committees

### 1. Honory Co-Chairs

- Prof. John G. Webster, University of Wisconsin-Madison, USA
- Prof. David Reutens, University of Queensland, Australia

### 2. General Co-Chairs

- Prof. Nguyen Duc Thuan, Hanoi University of Science and Technology, Vietnam
- Prof. Dinh Van Phong, Hanoi University of Science and Technology, Vietnam
- Prof. Jens Hauelsen, TU Ilmenau, Germany
- Prof. Hung Nguyen, University Technology Sydney, Australia
- Prof. Nguyen Huu Thanh, Hanoi University of Science and Technology, Vietnam
- Prof. Vorachai Sirikulchayanonta, Rangsit University, Thailand
- Dr. Alistair Mcewan, The University of Sydney, Australia

### 3. Program Co-Chairs

- Dr. Nguyen Thai Ha, Hanoi University of Science and Technology, Vietnam
- Prof. Jae Gwan Kim, Gwangju Institute of Science and Technology, South Korea
- Prof. Nguyen Tien Dung, Hanoi University of Science and Technology, Vietnam
- Prof. Huynh Quang Linh, Hochiminh University of Science and Technology,
- Dr. Noyman, University of Queensland, Australia
- Dr. Nuntachai Thongpance, Rangsit University, Thailand

### 4. Organizing Co-Chairs

- Dr. Nguyen Viet Dung, Hanoi University of Science and Technology, Vietnam
- Mr. Nguyen Minh Tuan, Ministry of Health, Vietnam
- Mr. Ha Dac Bien, Vietnam Medical Equipments Association
- Dr. Sani Boonyagul, Rangsit University, Thailand
- Prof. Pham Van Binh, Hanoi University of Science and Technology, Vietnam
- Prof. Kim Kyu Sung, Inha University, South Korea

#### Submission and Publication

Full papers should be up to six pages. The accepted papers will be considered to be published in IEEE Xplore.
